and a compound wall constructed. The only item of work remaining is the laying out of a garden. The President of the Sangha states that the work of the garden could not be undertaken during the last monsoon and that it cannot be done now owing to water scarcity. He promises to do the work in the ensuing monsoon and requests that an extension of time till 4-11-1933 be sanctioned. I recommend that the extension of time applied for may be granted and request the Board to move the Government to sanction it.
